

## **DIRECTIONS TO STANFORD AMBULATORY SURGERY CENTER (650) 723-7125**

### **From Highway 280:**

- Sand Hill Road Exit
- Drive East on Sand Hill Rd. for approximately 2.5 miles
- Turn right on Pasteur Dr. (Main entrance to Stanford Medical Ctr.)
- Continue on Pasteur Dr. until you arrive at Blake Wilbur Dr. (stop sign)
- Turn left on Blake Wilbur and park in the parking structure to your right after passing the second stop sign

### **From Highway 101:**

- University Avenue West exit
- Drive West on University for approximately 1.8 miles through downtown Palo Alto.
- Note that University will become Palm Drive when you enter the campus after crossing El Camino
- After you get on campus take a right at the 1<sup>st</sup> set of lights onto Arboretum Drive.
- The first set of lights on Arboretum is at Quarry Road. Take a left onto Quarry.
- Go past the shopping center and take a right on to Welch Road.
- Continue on Welch Road until you reach Pasteur Dr. and make a left onto Pasteur Drive (second set of lights).
- Turn left on Blake Wilbur and park in the parking structure to your right after passing the second stop sign.

### **Parking in the Structure**

1. Take the ticket from the automatic dispenser and park. When you arrive at the Ambulatory Surgery Center, you will be given a free parking pass that you will turn into the parking attendant along with your initial ticket when you leave the parking structure.
2. To reach the Ambulatory Surgery Center from the parking structure, walk along Blake Wilbur Drive towards the Advanced Medicine Center (go past the building overhead).
3. Take the elevators directly inside and go up to the third floor for the Ambulatory Surgery Center reception area.
