

**LINDA M.WATERS, MD, FRCS, FACS  
CURRICULUM VITAE**

July 16, 2010

**PERSONAL**

Linda Margaret Waters  
Office: 723 Emerson St.  
Palo Alto, CA 94301  
Phone: 650-328-9646  
Fax: 650-328-9528  
Website: [www.lindawatersmd.com](http://www.lindawatersmd.com)  
Email: [drwaters@lindawatersmd.com](mailto:drwaters@lindawatersmd.com)

**FLUENT LANGUAGES:** English, French, Spanish &  
a little Mandarin and Swahili

**PERSONAL INTERESTS:**

Surgical Volunteering in East Africa: Uganda & Kenya with Matibabu Foundation  
Shipping of Donated Surgical Supplies to Kitovu Hospital, Masaka, Uganda  
Mulago Hospital, Kampala, Uganda & Nyanza District Hospital, Kisumu,  
Kenya, Siaya District Hospital, Siaya, Kenya

Dublin Marathon, Dublin, Ireland October, 2000 with Team and Training: over \$15, 000  
raised for Leukemia and Lymphoma Research;  
Maui Marathon, Hawaii, March 2001: Mentor/Marathon Coach for Team and Training  
Royal Victoria Marathon, Canada, October 2001: Mentor/Marathon Coach for Team and  
Training

McGill University School of Medicine Scholarship Fundraising Committee Member:  
over \$95,000 raised at Oct. 2007 25<sup>th</sup> Medical School Reunion for deserving 1<sup>st</sup> Year  
McGill medical students.

Interest in establishment of international surgical training and ongoing educational  
opportunities for plastic surgery specialty training and practicing plastic and general  
surgeons in East Africa.

## EDUCATION

Premedical: University of Manitoba (Canada)  
Bachelor of Science 1977  
Double Major: Chemistry & French  
Dean's Honor List 1975, 1976, 1977

Medical: McGill University  
MDCM 1981

Surgical Internship: Montreal General Hospital 1981-82

General Surgery Residency Training: Stanford University Medical Center 1982-4  
Plastic Surgery Residency Training: Stanford University Medical Center 1984-7  
Chief Resident, Plastic Surgery, Stanford University Medical Center 1986-7

## EMPLOYMENT

Stanford University Medical School: Assistant Professor of Surgery: 1989-1994  
Palo Alto Veterans Administration Hospital: Staff Physician: 1987-1994  
Kaiser Santa Teresa: Staff Physician: 1994-1997  
Private Plastic Surgery Practice in Palo Alto, California: 1997-present

## BOARD CERTIFICATIONS

American Board of Plastic Surgery: 1990  
Royal College of Physicians and Surgeons of the Commonwealth: 1987

## APPOINTMENTS

Fellow, Stanford Institute for Research on Women and Gender: 1992-1994  
Interviewer (Boston) and Member of the Stanford Medical School Admissions Committee 1990-1992  
Interviewer and Director of Stanford's Division of Plastic Surgery's Residency Admissions Committee: 1990-1994  
Chief, Stanford Plastic Surgery Clinic 1987-94  
Librarian, Robert Chase Plastic Surgery Library 1987-94  
Member of the Stanford Breast Cancer Tumor Board: 1987-1994  
Chief of Plastic Surgery: Palo Alto Veterans Administration Hospital: 1988-90  
Chief, Palo Alto Veterans Administration PeriOrbital Clinic and Oculoplastic Referral Center for Desert Storm  
Academic Plastic Surgery Representative: Stanford Hospital Risk Management Committee  
Santa Clara County Medical Association Risk Management Committee Member, 1997-9  
Adjunct Assistant Professor of Surgery, Stanford University: 1994-present

Expert Medical Reviewer, Medical Board of California: 2007-present

#### HOSPITAL APPOINTMENTS

Stanford University Medical Center  
Lucille Salter Packard Children's Hospital  
El Camino Hospital  
Menlo Park Surgical Hospital  
El Camino Surgery Center  
Plastic Surgery Center  
Waverley Surgery Center  
Sequoia Hospital  
Hospital Drive Surgery Center

#### COMMUNITY SERVICE

Burn Injuries/First Aid Instructor: PAUSD Duveneck Elementary School: 1998-2000  
Foreign Language Task Force Committee Member, Palo Alto Unified School District  
1993-4  
Secondary Language Acquisition Comparative Research Project of Kindergartners and  
2<sup>nd</sup> graders at Duveneck Elementary School: Educational Grant Funding/ Curriculum  
Design/ Teacher for Spanish Language Education: 1995-1998  
Community Breast Health Project, Palo Alto, California, Volunteer Plastic Surgery  
Lecturer: 1997-present  
Palo Alto University Rotary Club, Palo Alto, 2007-2009

#### VOLUNTEER SURGICAL WORK

Interplast: Guayaquil, Ecuador 1983,  
Portoviejo, Ecuador 1984  
Montego Bay, Jamaica 1987  
Guatemala: Antigua 2004, 2005, Faces of Hope: 2008  
Kitovu Hospital, Masaka Uganda: 2006  
Matibabu Foundation; Siaya District Hospital, Kenya,: 2006, 2007  
Nyanza District Hospital, Kisumu, Kenya: 2006, 2007

## SPECIAL COMMITTEES

- Stanford University Medical Center Professional Practice Management Committee:  
1988-92
- Stanford University Medical Center Operating Room Equipment and Supply Committee:  
1990-93
- Cancer Care Committee, Stanford University Medical Center:  
1991
- Breast Cancer Program Coordinating Committee, Stanford University Medical Center:  
1991-94
- Quality Assurance Plastic Surgery Representative, Stanford University Medical Center:  
1990-91
- Risk Management Care Review Committee, Stanford University Medical Center:  
1991-94
- Stanford University Medical School's Women's Health Clerkship Planning Group  
1993-4
- Stanford University Medical Center's Women's Steering Committee for Leadership  
1991-94
- Compensation Committee, Kaiser Santa Teresa, Kaiser Permanente Northern California  
1995-96
- Santa Clara County Medical Association Risk Management Committee:  
1998-2000
- Expert Medical Reviewer, State of California Board of Medical Quality, 2007-present

## LICENSURE

California	Board of Medical Quality Assurance	1983-present
	American Board of Plastic Surgery	1990
FACS	American College of Surgery	1994
Canada	Medical Council of Canada	1981
	College of Physicians & Surgeons of Manitoba	1985
FRCS(C)	Royal College of Physicians & Surgeons	1987
Kenya		2006, 2007

## AWARDS

Bay Area Vascular Surgeons Award	1983
Stanford Alumni Zedplast Research Award	1986
California Society of Plastic Surgeons Best Scientific Presentation by a Resident Plastic Surgeon: "Pharmacologic Manipulation and Skin Flap Survival"	1987

## GRANT FUNDING

American Cancer Society  
American Critical Care Society  
Institute for Research on Women and Gender  
Palo Alto Unified School District  
Palo Alto Foundation for Education

## MEMBERSHIPS

American Society of Plastic Surgery  
American College of Surgeons  
California Medical Association  
Canadian Society of Plastic Surgeons  
Zedplast Stanford Alumni Association  
Royal College of Physicians and Surgeons  
Candidate Member, American Society of Aesthetic Plastic Surgery

Young, K.: “Comparative Study of Sexuality, Body Image, Mood and Social Support in 4 Cohorts of Women: Post-Lumpectomy, Post-Mastectomy, Post-Breast Reconstruction and ‘Normal’ Women without Breast Cancer.” Proceedings of the American Society of Plastic and Reconstructive Surgery Annual Meeting. 1996

## PRESENTATIONS

The 7<sup>th</sup> International Burn Congress in Melbourne, Australia; Feb. 1986: “The Use of Hetastarch in Acute Burn Resuscitation.”

Medical and Environmental Emergencies Conference; Sequoia Hospital, Redwood City, CA; Feb. 1986: “Acute Burn Injuries”.

Canadian Society of Plastic and Reconstructive Surgery: Toronto, Canada, May 1986: “Pharmacologic Augmentation of Skin Flap Survival,”

American Society of Plastic and Reconstructive Surgery, Los Angeles, CA: Oct. 1986: “The Effect of Nitroglycerine on Primate Skin Flaps.”

California Society of Plastic and Reconstructive Surgery, Tucson, Arizona, March 1987: “Pharmacologic Augmentation of Skin Flap Survival in the Rat and Primate Models.”

American Burn Association: Washington, D.C.: April 1987: “Hetastarch: A New Colloid in Burn Fluid Resuscitation.”

American Association of Plastic Surgeons: Scottsdale, Arizona, May 1989: “New Recommendations for Breast Cancer Detection in Women with Mammary Implants.”

Grand Rounds, Stanford Division of Plastic Surgery, 1990: “Radiographic Imaging of Breast Implants.”

Breast Cancer Symposium, Good Samaritan Hospital, San Jose, CA, April 1991. “Breast Reconstruction in the 1990’s”.

Stanford Board Review Course Lecturer, Palo Alto, CA Oct. 1991, “Plastic Surgery of the Breast.”

Pan-Pacific Surgical Association: 21<sup>st</sup> Congress, Honolulu, Hawaii: Jan. 1992: “Surgical Refinements for the Reconstructed Breast.”

Surgical Grand Rounds, Dept. of Surgery, Stanford University: Jan.12, 1992.: Lower Extremity Reconstruction.”

Past, Present, and Future: Women in Medicine and Medical Sciences. Stanford University School of Medicine. Third Annual Symposium. May 2, 1992. “Putting Theory into Practice.”

Good Samaritan Oncology Institute Breast Cancer Symposium, San Jose, CA April 3, 1993: “An In-Depth Look at Implants, Breast Reconstruction and Related Patient Care Issues.”

Stanford University Mammographic Visiting Fellowship Conference. Oct. 6, 1994: “Diagnostic Imaging of Breast Implants.”

Surgical Grand Rounds, Dept. of Surgery, Stanford University. Jan. 22, 1994: “The Anophthalmic Orbit.”

Stanford University Institute for Research on Women and Gender, Spring Seminar, April 19, 1994. “Breast Cancer in the 90’s: Breast Reconstruction: A Psychosurgical Intervention.”

Stanford University Health Library Breast Cancer Symposium: Progress, Policy and Personal Choice, May 7, 1994: “Panel Discussion on the Issues Surrounding Different Treatment Options in Breast Cancer Management” with Congresswoman Anna Eshoo.

Stanford University Hospital, Center for Education and Professional Development, Clinical Applications of ENT and Plastic Surgery: May 17, 1994. “ Post-Operative Management of TRAM Flaps.”

Grand Rounds, Div. of Plastic Surgery, Stanford University, June 1994.: “To Sir, With Love.”

Canadian Society of Plastic Surgeons Annual Meeting. Ottawa, Canada. June 1994: “Salvage of the Infected Breast Implant.”

American Society of Plastic and Reconstructive Surgery Annual Meeting, Dallas, Texas, 1996: “Comparative Study of Sexuality, Body Image, Mood and Social Support in Four Cohorts of Women: Post-Lumpectomy, Post-Mastectomy, Post-Breast Reconstruction and ‘Normal’ Women without Breast Cancer.”

Stanford University Breast Cancer Symposium, San Francisco, June 2002: “Radiation and Breast Reconstruction: Should We or Shouldn’t We?”

## VIDEOS

“Acute Burn Injuries:”, as presented at the Medical and Environmental Emergencies Conference; Sequoia Hospital, Redwood City, CA Feb 1986

“Breast Reconstruction” as presented to the Well-Women Veterans Program, Veterans Administration Hospital, Palo Alto, December 1989.

## MOVIES

Writer, Consultant, to the movie: “**Death Becomes Her**”. Universal Pictures; Producer: Robert Zemeckis with Bruce Willis and Meryl Streep.

## SCIENTIFIC EXHIBITS

D.M. Ikeda, M. A. Helvie, J.M. Brumbaugh, L. M. Waters, “Sonographic Findings in Normal and Ruptured Silicone Gel and Silicone-Saline Implants.” American Roentgen Ray Society, Annual Meeting, New Orleans, LA, April 1994
